Rating: 4.5/5 #PatriciaArquette4BestSupportingActress BoyhoodEllar ColtraneEthan HawkeLorelei LinklaterMoviesPatricia ArquetteReviewsRichard Linklater Oscars Just some 87th Annual Academy Awards Predictions, that s all.

The premise is simple, Mason (Ellar Coltrane) grows up and comes of age and all that stuff, but instead of just having different actors, it uses the same cast over the course of twelve years, and Mason literally grows up before our eyes.

Girl, and while she rocked the house, she still probably not going to win.

My money is on either Edward Norton or J.K.

Ethan Hawke is Arquette s ex-husband, and father to Mason and sister Samantha (Lorelei Linklater).

Aside from complaints that it only focuses on a stereotypical white family (which I understand in this diversity-heavy day and age), not everyone will relate to the film.

Arquette won the GG for Boyhood, and I m gonna watch it today so my opinion can actually count for sump n. punch a hole in the wall over the masterful Lego Movie getting snubbed: Two of
