Best Director Alejandro I rritu for Birdman Richard Linklater for Boyhood Bennett Miller for Foxcatcher Wes Anderson for The Grand Budapest Hotel Morten Tyldum for The Imitation Game Carly Says: I am a fan of Richard Linklater and Wes Anderson already, and it fills me with glee that they are nominated.

I always say it s the worst feeling in the world when you feel someone else s pain, but you can t relate because you haven t dealt with what the other person is dealing with.

Watching School of Rock many times in middle and high school, I never thought Linklater would have something of this magnitude up his sleeve.

Woo!!! Best Actress in a Leading Role Marion Cotillard for Two Days, One Night Felicity

Turner J hann J hannson for The Theory of Everything Carly Says: Only movies I saw were The Grand Budapest Hotel and Interstellar.

She s a wonderful actress and has been passed up for far too long! Also, in a rare move, Marion Cotillard has been nominated for a foreign language performance.

Someone could have died, someone could have up and left, Linklater could have gone through DPs like Spinal Tap went through drummers, who knows, but fortunately, all went swimmingly.

Clearly a multi-talented man, no? Since there are only a few, let me list the negatives: If you have a short attention span, steer clear, this movie is a hair under three hours.

Kramer and stuff, Into the Woods is crap.

And yes, I am a little upset by this year s lack of diversity, but like I said, it is what it is.
