We itching be cognisance-compensated whether you move ahead in move in push smooth anew.

love to see the rest, but nope! Too artsy-fartsy for my local cinema! With that

On the bright side, I now have two movies to look out for.

WHAT TOOK YOU SO LONG TO REVIEW THIS MOVIE, LITTLE MISS CINEPHILE????????? Well, simply put, my nearest cinema doesn't exactly have their ducks in a row.

I didn't either until a character sang *We're All in This Together*.

Kramer and stuff, *Into the Woods* is crap.

Lee Ermey in *Full Metal Jacket* look like a thumb-sucking wimp.

Clearly a multi-talented man, no? Since there are only a few, let me list the negatives: If you have a short attention span, steer clear, this movie is a hair under three hours.

Turner J hann J hannson for *The Theory of Everything* Carly Says: Only movies I saw were *The Grand Budapest Hotel* and *Interstellar*.

Two of my favorite films of the year, *Birdman* and *The Grand Budapest Hotel*, lead the pack with 9 nominations each.

Woo!!! Best Actress in a Leading Role Marion Cotillard for *Two Days, One Night* Felicity
