We itching be cognisance-compensated whether you move ahead in move in push smooth anew.

On the bright side, I now have two movies to look out for.

I didn't either until a character sang We're All in This Together .

love to see the rest, but nope! Too artsy-fartsy for my local cinema! With that

Lee Ermey in Full Metal Jacket look like a thumb-sucking wimp.

WHAT TOOK YOU SO LONG TO REVIEW THIS MOVIE, LITTLE MISS CINEPHILE???????? Well, simply put, my nearest cinema doesn't exactly have their ducks in a row.

Kramer and stuff, Into the Woods is crap.

Two of my favorite films of the year, Birdman and The Grand Budapest Hotel, lead the pack with 9 nominations each.

Clearly a multi-talented man, no? Since there are only a few, let me list the negatives: If you have a short attention span, steer clear, this movie is a hair under three hours.

Anyway, this will go to Richard Linklater, no contest.

Turner J hann J hannson for The Theory of Everything Carly Says: Only movies I saw were The Grand Budapest Hotel and Interstellar.
