by Richard Linklater Starring: Ethan Hawke, Patricia Arquette, Ellar Coltrane The life of a young Best Picture American Sniper Birdman Boyhood The Grand Budapest Hotel The Imitation Game Selma The Theory of Everything Whiplash Carly Says: Sorry if this makes me sound like a phony, but I ve only seen Birdman and The Grand Budapest Hotel.

Birdman Meryl Streep for Into the Woods Carly Says: Really, Meryl AGAIN???? Oh for Christ punch a hole in the wall over the masterful Lego Movie getting snubbed: Two of You can only imagine what gems (and a few duds) are in between.

Ethan Hawke is Arquette s ex-husband, and father to Mason and sister Samantha (Lorelei Linklater).

It won the GG, and to be honest, Disney needs to take a little break, Frozen-mania still needs to die!! Go How 2 Train Your Dragon! Also, does anyone else not like the name How to Train Your Dragon 2? It s sounds a little redundant if you ask me.

My money is on either Edward Norton or J.K.

It boils down to Keaton and Eddie Redmayne, but I d like to see Keaton win, because he was fantastic in Birdman and re-cemented his rightful place in the movies.

Boyhood is not so much a movie as it is a long, intricate, ambitious video scrapbook of someone s young life and a contemplation of life itself.
