I know what it feels like to be alienated from your peers, and to want more out of life than just silly things, and

Boyhood spoke to me and said It s okay, it s all part of being human.

I will say we do need more women and other races behind the camera, and that s that, but the Oscars shouldn t be a zero-sum game about race relations and political things.

Come to think of it, Simmons FTW!! Best Actress in a Supporting Role Patricia Arquette
