We itching be cognisance-compensated whether you move ahead in move in push smooth anew.

Even if I couldn t relate to all of Mason s trials and tribulations, I still connected to the film on some levels. I am a little upset about Ava DuVernay being snubbed, but I don t want to get into politics/race/gender/all that fun stuff here.

Tr s magnifique! Best Actor in a Supporting Role Robert Duvall for The Judge Ethan Hawke for Boyhood Edward Norton for Birdman Mark Ruffalo for Foxcatcher J.K.

I don t know if I should even bother reviewing Boyhood.

At least, it appears that way.

Jones for The Theory of Everything Julianne Moore for Still Alice Rosamund Pike for Gone

Anyway, this will go to Richard Linklater, no contest.

Two of my favorite films of the year, Birdman and The Grand Budapest Hotel, lead the pack with 9 nominations each.

There are moments where the story appears to lose steam, and I was not satisfied with the ending at all.

If anything, her performance in 2004 s A Series of Unfortunate Events was far superior.
