The premise is simple, Mason (Ellar Coltrane) grows up and comes of age and all that stuff, but instead of just having different actors, it uses the same cast over the course of twelve years, and Mason literally grows up before our eyes.

Girl, and while she rocked the house, she still probably not going to win.

But it is what it is.

Rating: 4.5/5 #PatriciaArquette4BestSupportingActress BoyhoodEllar ColtraneEthan HawkeLorelei LinklaterMoviesPatricia ArquetteReviewsRichard Linklater Oscars Just some 87th Annual Academy Awards Predictions, that s all.

Aside from complaints that it only focuses on a stereotypical white family (which I understand in this diversity-heavy day and age), not everyone will relate to the film.

Arquette won the GG for Boyhood, and I m gonna watch it today so my opinion can actually count for sump n. My money is on either Edward Norton or J.K.

Ethan Hawke is Arquette s ex-husband, and father to Mason and sister Samantha (Lorelei Linklater).

It astounds me how Richard Linklater managed to keep this such a secret all those years, and how he directed School of Rock, A Scanner Darkly, and two Before movies simultaneously.

Keaton is also the only person not nominated for playing a real person, living or dead, and I think the Oscars need to reward original characters.
