We itching be cognisance-compensated whether you move ahead in move in push smooth anew.

On the bright side, I now have two movies to look out for.

love to see the rest, but nope! Too artsy-fartsy for my local cinema! With that

WHAT TOOK YOU SO LONG TO REVIEW THIS MOVIE, LITTLE MISS CINEPHILE????????? Well, simply put, my nearest cinema doesn't exactly have their ducks in a row.

I didn't either until a character sang We're All in This Together.

Lee Ermey in Full Metal Jacket looks like a thumb-sucking wimp.

Kramer and stuff, Into the Woods is crap.

Clearly a multi-talented man, no? Since there are only a few, let me list the negatives: If you have a short attention span, steer clear, this movie is a hair under three hours.

Two of my favorite films of the year, Birdman and The Grand Budapest Hotel, lead the pack with 9 nominations each.

Anyway, this will go to Richard Linklater, no contest.

Turner J hann J hannson for The Theory of Everything Carly Says: Only movies I saw were The Grand Budapest Hotel and Interstellar.
