Anyway, this will go to Richard Linklater, no contest.

At least, it appears that way.

Two of my favorite films of the year, Birdman and The Grand Budapest Hotel, lead the pack with 9 nominations each.

Tr s magnifique! Best Actor in a Supporting Role Robert Duvall for The Judge Ethan Hawke for Boyhood Edward Norton for Birdman Mark Ruffalo for Foxcatcher J.K.

Lee Ermey in Full Metal Jacket look like a thumb-sucking wimp.

Even if I couldn t relate to all of Mason s trials and tribulations, I still connected to the film on some levels.

I didn t either until a character sang We re All in This Together .

I am a little upset about Ava DuVernay being snubbed, but I don t want to get into politics/race/gender/all that fun stuff here.

On the bright side, I now have two movies to look out for.

I don t know if I should even bother reviewing Boyhood.
