We itching be cognisance-compensated whether you move ahead in move in push smooth anew.

Jones for The Theory of Everything Julianne Moore for Still Alice Rosamund Pike for Gone

There are moments where the story appears to lose steam, and I was not satisfied with the ending at all.

I don t know if I should even bother reviewing Boyhood.

If anything, her performance in 2004 s A Series of Unfortunate Events was far superior.

I am a little upset about Ava DuVernay being snubbed, but I don t want to get into politics/race/gender/all that fun stuff here.

They did not show Boyhood at all, and it took them FOR-FREAKING-EVER to get Birdman, but they showed fecal matter like The Identical, Left Behind, and Kirk Cameron s Saving Christmas as soon as they came out.

Even if I couldn t relate to all of Mason s trials and tribulations, I still connected to the film on some levels.

said, I bet on three of them: Boyhood, Birdman, and The Grand Budapest Hotel.

Both of them look beautiful! Of the nominees, I ve only seen Big Hero 6 and How to Train Your Dragon 2.

Tr s magnifique! Best Actor in a Supporting Role Robert Duvall for The Judge Ethan Hawke for Boyhood

Edward Norton for Birdman Mark Ruffalo for Foxcatcher J.K.
