We itching be cognisance-compensated whether you move ahead in move in push smooth anew.

Boyhood won t resonate with everyone.

Either Patricia Arquette or Emma Stone is gonna get it.

I m limited in my movie going by many factors) was Rosamund Pike in Gone

It truly must be seen to be believed.

Boyhood is not so much a movie as it is a long, intricate, ambitious video scrapbook of someone s young life and a contemplation of life itself.

It boils down to Keaton and Eddie Redmayne, but I d like to see Keaton win, because he was fantastic in Birdman and re-cemented his rightful place in the movies.

At the end of the day, the Oscars should be about ART.

It won the GG, and to be honest, Disney needs to take a little break, Frozen-mania still needs to die!! Go How 2 Train Your Dragon! Also, does anyone else not like the name How to Train Your Dragon 2? It s sounds a little redundant if you ask me.

Verdict: twelve years (and five dollars) well spent.

You can only imagine what gems (and a few duds) are in between.
