Two of my favorite films of the year, Birdman and The Grand Budapest Hotel, lead the pack with 9 nominations each.

Anyway, this will go to Richard Linklater, no contest.

Lee Ermey in Full Metal Jacket look like a thumb-sucking wimp.

At least, it appears that way.

I didn't either until a character sang We're All in This Together.

Très magnifique! Best Actor in a Supporting Role Robert Duvall for The Judge Ethan Hawke for Boyhood

Edward Norton for Birdman Mark Ruffalo for Foxcatcher J.K.

On the bright side, I now have two movies to look out for.

love to see the rest, but nope! Too artsy-fartsy for my local cinema! With that

Even if I couldn't relate to all of Mason's trials and tribulations, I still connected to the film on some levels.

WHAT TOOK YOU SO LONG TO REVIEW THIS MOVIE, LITTLE MISS CINEPHILE????????? Well, simply put, my nearest cinema doesn't exactly have their ducks in a row.
