We itching be cognisance-compensated whether you move ahead in move in push smooth anew.

A lot could have gone wrong with this risky movie.

Something tells me Julianne Moore needs to (and will) win this.

I m just a 20 year old gal with a computer, I have no say in who gets nominated.

January 15, 2015 Carly Leave a comment I woke up this morning just in time for the announcement, and enjoyed my cereal and coffee as the nominees were announced.

I didn t see my mom get married three times, and I didn t move at all as a youth.

Emma Stone s performance in Birdman was unlike anything she s ever done, showing us the acting chops we didn t know she had.

Simmons, leaning towards Simmons.

Hawke is a deadbeat dad who tries to be a better father to his children, and his heart-to-hearts with Mason make for some of the sweetest moments in the movie.

Linklater musta been one busy SOB in the last decade.

WHERE THE HELL IS JAKE GYLLENHAAL FOR NIGHTCRAWLER?????? Oh, and Cumber-buddies rejoice: Ben is nominated!
