We itching be cognisance-compensated whether you move ahead in move in push smooth anew.

Girl Reese Witherspoon for Wild Carly Says: The only performance I saw (because, you know, Not because it s a bad movie or I didn t like it (quite the opposite), but nothing I say will do it justice. Really? Mason just goes off to college without even saying goodbye to his mom and sister? And without any kind of closure? Little shit.

I will say we do need more women and other races behind the camera, and that s that, but the Oscars shouldn t be a zero-sum game about race relations and political things.

Okay, enough ranting.

I know what it feels like to be alienated from your peers, and to want more out of life than just silly things, and Boyhood spoke to me and said It s okay, it s all part of being human.

Hopefully they made it their New Year s Resolution to show movies people actually want to see.

Best Actor in a Leading Role Steve Carell for Foxcatcher Bradley Cooper for American Sniper Benedict Cumberbatch for The Imitation Game Michael Keaton for Birdman Eddie Redmayne for The Theory of Everything Carly Says: From the bottom of my heart, I hope Michael Keaton wins.

Simmons for Whiplash Carly Says: Huh, I m surprised they included Robert Duvall, because The Judge got some pretty meh reviews this summer.

Both of them are very cute movies, but I have a hunch that HTTYD2 will win.
