I m limited in my movie going by many factors) was Rosamund Pike in *Gone with the Wind*.  
Boyhood won t resonate with everyone.

It truly must be seen to be believed.

Either Patricia Arquette or Emma Stone is gonna get it.

At the end of the day, the Oscars should be about ART.

Boyhood is not so much a movie as it is a long, intricate, ambitious video scrapbook of someone s young life and a contemplation of life itself.

Verdict: twelve years (and five dollars) well spent.

It boils down to Keaton and Eddie Redmayne, but I d like to see Keaton win, because he was fantastic in *Birdman* and re-cemented his rightful place in the movies.

It won the GG, and to be honest, Disney needs to take a little break, *Frozen*-mania still needs to die!! Go *How to Train Your Dragon 2*! Also, does anyone else not like the name *How to Train Your Dragon 2*? It s sounds a little redundant if you ask me.

Still probably worth checking out, though.
