Best Animated Feature Big Hero 6 The Boxtrolls How to Train Your Dragon 2 Song

Boyhood follows with 6.

Carly Hearts Movies Carly Hearts Movies Search Primary Menu Skip to content About MeExternal LinksWriting Patricia Arquette is easily the best actress in the whole film (and Oscar shoo-in!!) as a single mother who bends over backwards for her children.

Simmons for Whiplash Carly Says: Huh, I m surprised they included Robert Duvall, because The Judge got some pretty meh reviews this summer.

Come to think of it, Simmons FTW!! Best Actress in a Supporting Role Patricia Arquette

This classic moment in SNL history? Speaking of memories, the soundtrack alone was enough to make me reminisce on my own childhood/adolescence.

I know what it feels like to be alienated from your peers, and to want more out of life than just silly things, and Boyhood spoke to me and said It s okay, it s all part of being human.

I will say we do need more women and other races behind the camera, and that s that, but the Oscars shouldn t be a zero-sum game about race relations and political things.

Both of them look beautiful! Of the nominees, I ve only seen Big Hero 6 and How to Train Your Dragon 2.
