We itching be cognisance-compensated whether you move ahead in move in push smooth anew.

Jones for The Theory of Everything Julianne Moore for Still Alice Rosamund Pike for Gone

I don t know if I should even bother reviewing Boyhood.

There are moments where the story appears to lose steam, and I was not satisfied with the ending at all.

If anything, her performance in 2004 s A Series of Unfortunate Events was far superior.

I am a little upset about Ava DuVernay being snubbed, but I don t want to get into politics/race/gender/all that fun stuff here.

Even if I couldn t relate to all of Mason s trials and tribulations, I still connected to the film on some levels.

They did not show Boyhood at all, and it took them FOR-FREAKING-EVER to get Birdman, but they showed fecal matter like The Identical, Left Behind, and Kirk Cameron s Saving Christmas as soon as they came out.

said, I bet on three of them: Boyhood, Birdman, and The Grand Budapest Hotel.

Both of them look beautiful! Of the nominees, I ve only seen Big Hero 6 and How to Train Your Dragon 2.

Tr s magnifique! Best Actor in a Supporting Role Robert Duvall for The Judge Ethan Hawke for Boyhood

Edward Norton for Birdman Mark Ruffalo for Foxcatcher J.K.
