Boyhood won t resonate with everyone.

Either Patricia Arquette or Emma Stone is gonna get it.

I m limited in my movie going by many factors) was Rosamund Pike in Gone

It truly must be seen to be believed.

Boyhood is not so much a movie as it is a long, intricate, ambitious video scrapbook of someone s young life and a contemplation of life itself.

It boils down to Keaton and Eddie Redmayne, but I d like to see Keaton win, because he was fantastic in Birdman and re-cemented his rightful place in the movies.

It won the GG, and to be honest, Disney needs to take a little break, Frozen-mania still needs to die!! Go How 2 Train Your Dragon! Also, does anyone else not like the name How to Train Your Dragon 2? It s sounds a little redundant if you ask me.

At the end of the day, the Oscars should be about ART.

Verdict: twelve years (and five dollars) well spent.

You can only imagine what gems (and a few duds) are in between.
