January 15, 2015 Carly Leave a comment I woke up this morning just in time for the announcement, and enjoyed my cereal and coffee as the nominees were announced.

I m just a 20 year old gal with a computer, I have no say in who gets nominated.

Simmons, leaning towards Simmons.

Hawke is a deadbeat dad who tries to be a better father to his children, and his heart-to-hearts with Mason make for some of the sweetest moments in the movie.

A lot could have gone wrong with this risky movie.

Something tells me Julianne Moore needs to (and will) win this.

the nominees, Ireland s Song of the Sea and Japan s The Tale of Princess

I m too wimpy for American Sniper (though I ll probably be looped into seeing man, Mason, from age 5 to age 18.

I didn t see my mom get married three times, and I didn t move at all as a youth.
