We go in advance Tonka: If I Could Drive A Loader DjVu, PDF, ePub, txt, dr. approaching. We itching be cognisance-compensated whether you move ahead in move in push smooth anew.

Anyway, this will go to Richard Linklater, no contest.

Two of my favorite films of the year, Birdman and The Grand Budapest Hotel, lead the pack with 9 nominations each.

At least, it appears that way.

Tr s magnifique! Best Actor in a Supporting Role Robert Duvall for The Judge Ethan Hawke for Boyhood

Edward Norton for Birdman Mark Ruffalo for Foxcatcher J.K.

Lee Ermey in Full Metal Jacket look like a thumb-sucking wimp.

I didn t either until a character sang We re All in This Together .

Even if I couldn t relate to all of Mason s trials and tribulations, I still connected to the film on some levels.

On the bright side, I now have two movies to look out for.

I am a little upset about Ava DuVernay being snubbed, but I don t want to get into politics/race/gender/all that fun stuff here.

love to see the rest, but nope! Too artsy-fartsy for my local cinema! With that
