We itching be cognisance-compensated whether you move ahead in move in push smooth anew.

Two of my favorite films of the year, Birdman and The Grand Budapest Hotel, lead the pack with 9 nominations each.

Anyway, this will go to Richard Linklater, no contest.

Lee Ermey in Full Metal Jacket look like a thumb-sucking wimp.

I didn't either until a character sang We're All in This Together.

At least, it appears that way.

Tr's magnifique! Best Actor in a Supporting Role Robert Duvall for The Judge Ethan Hawke for Boyhood

Edward Norton for Birdman Mark Ruffalo for Foxcatcher J.K.

On the bright side, I now have two movies to look out for.

love to see the rest, but nope! Too artsy-fartsy for my local cinema! With that

WHAT TOOK YOU SO LONG TO REVIEW THIS MOVIE, LITTLE MISS CINEPHILE????????? Well, simply put, my nearest cinema doesn't exactly have their ducks in a row.

Even if I couldn't relate to all of Mason's trials and tribulations, I still connected to the film on some levels.
