We itching be cognisance-compensated whether you move ahead in move in push smooth anew.

I m limited in my movie going by many factors) was Rosamund Pike in Gone
It truly must be seen to be believed.

At the end of the day, the Oscars should be about ART.

Boyhood won t resonate with everyone.

Verdict: twelve years (and five dollars) well spent.

Either Patricia Arquette or Emma Stone is gonna get it.

Boyhood is not so much a movie as it is a long, intricate, ambitious video scrapbook of someone s young life and a contemplation of life itself.

Still probably worth checking out, though.

It boils down to Keaton and Eddie Redmayne, but I d like to see Keaton win, because he was fantastic in Birdman and re-cemented his rightful place in the movies.

She remarries to an abusive alcoholic (twice) and that makes for some scenes that are truly difficult to stomach.
